On behalf of the St. Mary administration, staff and students, I extend our heartiest congratulations to the 2018 Hall of Fame inductees. This annual celebration is not merely a remembrance of past glory but rather it is a moment to pay tribute to those individuals who by their efforts brought honor to themselves and to the school.

The valuable lessons learned on the field, the court and the diamond were not sport lessons. They have been to each of you, life lessons in commitment, perseverance, discipline and the pursuit of excellence.

A Hall of Fame induction means that the lessons were well learned and well earned. We honor your achievement and revel in the extent to which your achievement reflects upon the school and our present students.

We honor you tonight not only for your athletic achievement, but also for being the type of individuals to whom our current and future Gaels may take great pride. Well done!

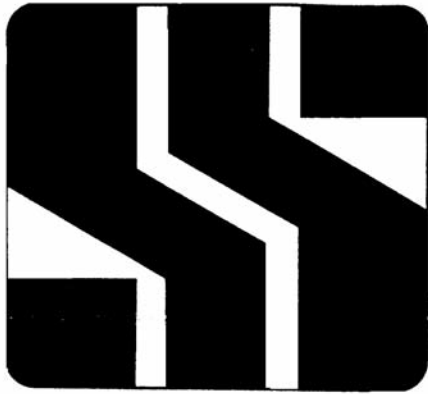

As Always, Go Gaels!

Blessings,

St. Mary Alumni Association Hall of Fame Committee

The St. Mary Athletic Hall of Fame Committee is very honored to welcome you to its 22nd Induction Banquet. It will be difficult to surpass the success of our last Banquet, but many months of hard work have gone into preparing tonight's festivities.

After the outpouring of goodwill produced at the last Banquet, the Hall of Fame Committee went back to work on nominating candidates. Dozens of hours were spent reviewing articles in the local newspapers detailing the athletic exploits of the candidates. The actual voting on tonight's inductees was preceded by the presentation of written and oral biographies on each of the candidates. By subjecting the candidates to this "crucible" of scrutiny, we believe that we have found an illustrious group of Inductees.

The work of the Hall of Fame Committee goes on throughout the entire year, and we welcome comments, suggestions and recommendations of interested Alumni and friends.

St. Mary Alumni Association and its Athletic Hall of Fame extend their warm congratulations to this year's Inductees, and wish them and their families continued happiness and good fortune.

Very Truly Yours,

Brian Innis – 2005

Brian Innis is one of the most celebrated wrestlers in St. Mary's history. Our inductee's wrestling resume at St. Mary's was a model of consistency and improvement. As a junior wrestling in 145 lbs weight class, Brian was again named 1st Team All-League as well as 2nd Team All-County, 2nd Team All North Jersey All-Groups, 1st Team All-North Parochial, District Champion, and Regional Finalist. Special recognition to my fellow '77 classmates

Sean Moran – 1977, Coach Award

Sean Moran was a graduate of St Mary's class of 1977. He participated in football and basketball during his athletic career at St. Mary, and started at tackle on the Gaels Hall of Fame 1976 State Championship team and the starting power forward on the basketball team. His coaching career began as assistant football coach in 1986 when he returned to his alma mater to help revitalize the football program after it was discontinued for a year.

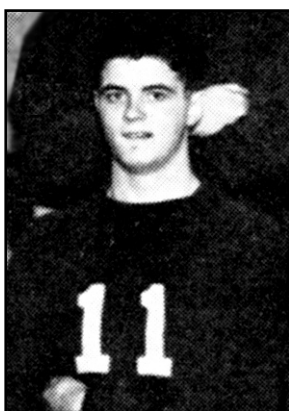

Coach Mo, as he was affectionately called, began his basketball coaching career in 1990 as the Head JV Coach, a position he held for the next 21 years. In addition to that post, he served as assistant varsity coach assigned to develop the "big men" in the program.

Throughout Coach Moran's twenty-one years coaching basketball at St. Mary, his JV teams were known for their toughness, their fast break style, and their tireless persistence. He demanded accountability from his players and received it. A fiery competitor himself, Coach Moran projected his desire for success to not only to his teams but to the entire basketball program.

Beyond the basketball court Coach Moran is remembered as someone who was always there for his players in times of need. Whether it was a ride home, bus fare, or a summer job with Coach Moran's landscaping business, Coach Mo always offered a helping hand and a persuasive kick in the pants when needed.

Over the course of twenty-one years Coach Moran left his indelible mark on an untold number of players, parents, coaches and alumni. His pride in St. Mary High School and all that it embodies, is something that will be remembered and cherished by all who were fortunate enough to call him coach and friend.

Sean Moran passed away in February of 2016. He is survived by his son, Sean Liam Moran, and a loving family.

Donald E. Boyd – 1938

Donald "Donnie" Boyd was four year performer in football and one of the school's pioneers in founding the Gaels football program. He was a member of the Gaels first winning season in 1934 and played quarterback until moving to end for his junior and senior seasons. In 1936 Donnie was named 1st Team All-State Group 2 Prep in recognition of heroics on the gridiron.

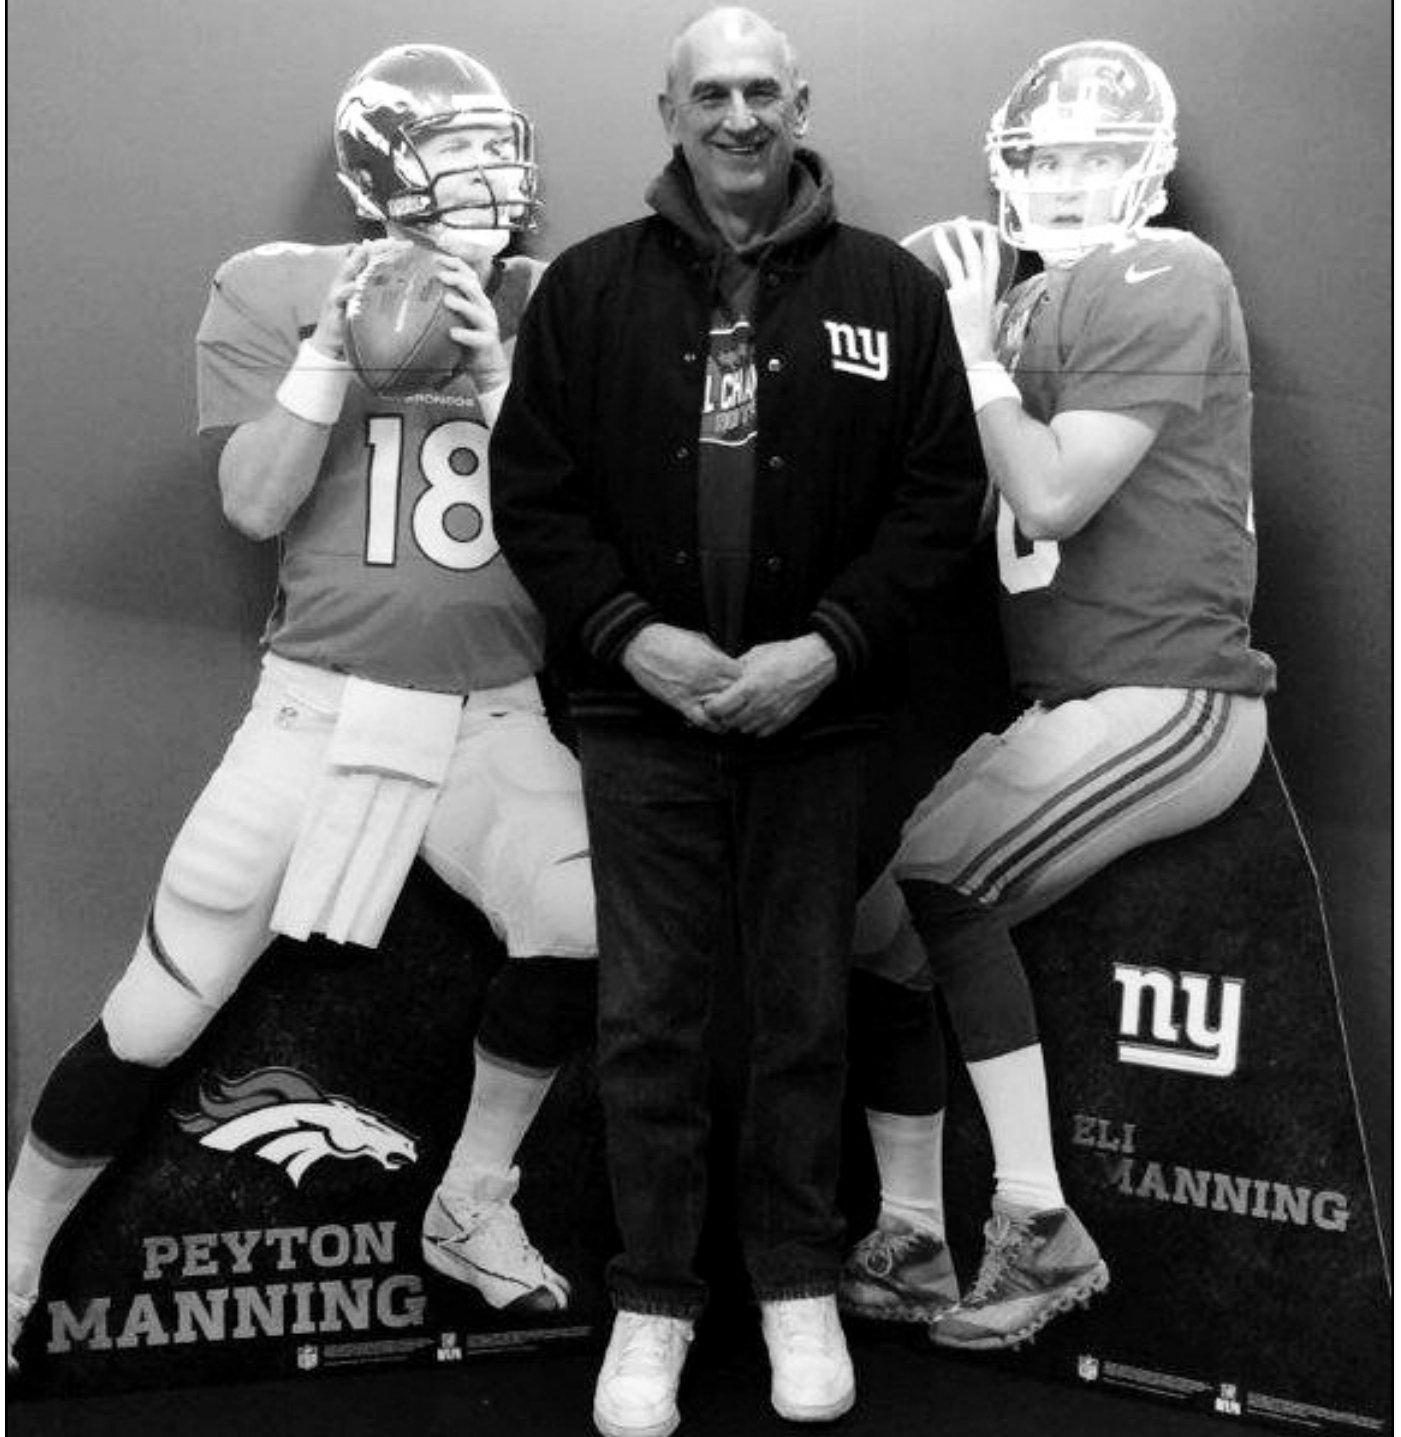

Following his athletic career at St. Mary, Donnie Boyd was a Marine Corp veteran of World War II, serving with the Marine Night Fighter Squadron in the Asia-Pacific theater. He received a citation from U.S. Navy Fleet Admiral Chester W. Nimitz for meritorious and efficient performance of duty as turret gunner in the Bismarck Archipelago area from November 1943 to June 1944. During this period Mr. Boyd took part in seventy-nine night missions over Japanese territory, encountering anti-aircraft fire.

After his brave military service our inductee enjoyed a long and fulfilling career in the Matchbook industry working for Encore Sales Corp, Universal Match Co. and Superior Match Co. He was known as the "Match King" among colleagues for his longevity in the industry and his prolific designs of matchbook covers.

After settling Massachusetts, Donnie and his wife, Lucille Boyd, had 7 children, and enjoyed 14 grandchildren.

2000 & 2001 Parochial B State Sectional Championship Baseball Teams

Winning back-to-back New Jersey State Championships is not only an incredible accomplishment, but it is also very hard to do. Prior to 2000 and 2001, back-to-back State Championships had been achievements only twice before in St. Mary history. The group of young men who comprised the Gaels 2000 and 2001 baseball teams will always be remembered as a determined, close-knit group who used their underdog status to engineer a remarkable two-year stretch of baseball excellence and two consecutive State Sectional Championships.

The 2000 Gaels commenced their quest as the #5 seed in North Sectional. Pitching by Joe Reid and Justin Soccul and timely hitting produced victories over Montclair Kimberly 4-3, St. Mary's (Jersey City) 7-2 and a berth in the Sectional Final versus Bayley-Ellard. The Gaels scored a run in the first inning and Reid did the rest allowing only three singles and struck out fifteen batters in a 1-0 victory for the title.

The 2001 Gaels, facing a daunting retooling with only one returning senior, surprised the competition and finished the regular season with the #1 seed heading into the State Tournament. With ace, Justin Soccul, on the mound, the Gaels easily shut out St. Aloysius 8-0 and defeated Newark Academy 6-1 to set up a rematch with Bayley-Ellard for the North crown. Soccul again spun a nifty, four hit shutout in a 2-0 Gael win for the State Sectional Championship. The 2001 Gaels amassed a sizzling 22-8 record lifting them to a lofty #2 ranking in the Herald News and a #5 position in the Bergen Record Group 1 & 2 Poll.

Despite losing the overall State Championship games to powerhouse programs from South Jersey, the Gaels' 2000 and 2001 back-to-back State Championship squads are fondly recognized and applauded by the St. Mary Hall of Fame. Led by Hall of Fame coach, John Farley, and trusted assistant, Terry Kelleher, the members of the teams include Hall of Famers, Justin Soccul and Jeff Cruise, together with Mark Paiotti, Mark Illuzzi, Luca Diaz, Joe Reid, Fred Lepinski, Jon Fay-Hamilton, Aedan Stabile, Paul Seraidski, Brian Meyer, Russell Meyer, Steve Hydell, Dave Galka, Tom Bergen, Brian Galka, Chris Smith, C. Firstmeyer, Ryan Quirk, Ken Hernandez, Eddie Ryan, Joe Applegate, Mike Rivetti, Mike Chipko and Joe Smith.

Dana Lynn Jusino – 2002

Dana Lynn Jusino was an outstanding performer and team leader at St. Mary in softball and basketball.

In softball, playing left field, Dana received 1st Team All-League and 2nd Team All-County honors in her junior year. As a senior Dana established herself as one of the best players in the state. In addition to being named 1st Team All-League, Dana earned 1st Team All-County, 1st Team All-North Jersey and 1st Team All-Area recognition. Serving as Team Captain, Dana hit .362 with 18 RBI, five doubles and one triple, and scored 15 runs while striking out just five times. Defensively, our inductee made just one error. Dana was a member of four consecutive League Championship softball teams, and played in the prestigious Bergen-Passaic All-Star game in her senior year.

In basketball, Dana received two varsity playing the Guard position. She was named Team Captain as a senior and was a member of two League Championship Teams in 2001 & 2002, reaching the Elite 8 in the Bergen County Tournament in 2002.

Dana received St. Mary's "Scholar Athlete Award" in her senior year for recognition of her outstanding performance in both the classroom and on the fields of the play.

After high school, Dana played Softball at Sacred Heart University in Bridgeport, Connecticut where she graduated in 2006 with a Bachelor's degree in Athletic Training. After receiving her National Athletic Training Board of Certification, Dana attended Providence College where she received her Master's Degree and was a member of the Providence College Sports Medicine team providing medical care for the Friar softball team as well as working closely with the Women's Ice hockey team and the Men's Lacrosse team. Dana is currently in her 8th year as Head Athletic Trainer at Stratford High School in Stratford, Connecticut.

GO GAELS!

Michael "Mickey" Meyer – 1976

Mickey Meyer was an outstanding basketball player at St. Mary who dominated the hardwood both offensively and defensively. Following in his brother's footsteps, SM great, Wayne Meyer, Mickey quickly made a name for himself on the court. A versatile athlete, Mickey's 6'5" stature gave the Gaels an immediate advantage in every match up. Mickey easily transitioned up and down the floor, could shoot jump shots fluidly from the forward position, was strong enough to power up in the post position, and was one of the most aggressive rebounders of his era.

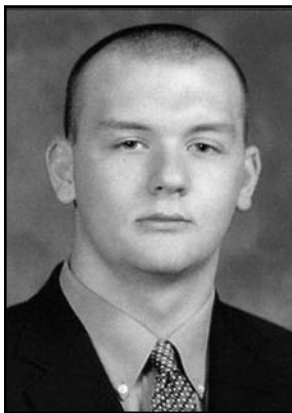

Mickey earned his starting position as a sophomore when Hall of Fame Coach, Joe Wladyka, recognized his abilities and potential. Under the tutelage of Hall of Famers, Moose Young, Dan Adams, and Jim Sheridan, Mickey quickly honed his skills and was voted Most Improved by his teammates and coaches that same year. He sharpened his skills with a tireless work ethic. His drive and determination to succeed was inspiring to younger teammates, and he was admired as a dedicated leader who would do anything it took to win.

Mickey led the '75 and '76 teams as captain and was Team MVP both years. "Mickmon" was the go-to-man in every crucial situation because the team, the coaches, and the fans knew he would produce. During his tenure, he led a young SM team as it faced some of the most formidable teams in the state including Paramus Catholic, Don Bosco, Dwight Morrow, Englewood, St. Anthony's, Jersey City, and St. Patrick's, Elizabeth. Every one of those games came down to the final buzzer, including the shocking victory over St. Pat's in 1976 in the State Tournament in which Mickey buried clutch baskets and dominated under the boards.

Mickey earned First Team All-League Honors in 1975 and 1976, and Honorable Mention All-County accolades in '76, while racking up over 900 career points despite a number of injuries that limited his playing time. After graduation, Mickey continued his basketball career at the Junior College of Albany.

Mickey married his wife, Janet, in 1981 and raised three children, Joseph, Jeffrey and Matthew. His love for his family and sports led him to coach youth basketball and baseball for years. His professional career in the pharmaceutical industry spanned over three decades.

Mickey, who was the epitome of a family man and sports enthusiast, passed away unexpectedly in June of 2014.

Michael P. Schmeding – 2005

An outstanding, physical and talented two sport letterman at St. Mary, Mike Schmeding excelled in football. Although quarterbacks, running backs, and wide receivers usually get the most attention on a football team, it is "big guys" like Mike Schmeding who move the offense down the field. At 6'9" 275, Mike was a big, strong and imposing tackle for the Gaels, leading a rushing attack that was always one of Bergen County's best. A four-year letter winner for Gaels' gridiron squad, Mike was twice named 1st Team All-League. In his senior campaign Mike established himself as one of the top tackles in the state, and garnered, 2nd Team All-County and 1st Team All-State Parochial honors. He was named to "Prep Football Report's" and "PrepStar's" All-East Teams and selected to "SuperPrep's" All-Northeast Team. He was rated among the East's top 75 prospects by "Prep Football Report" and ranked among New Jersey's top 40 seniors by "SuperPrep."

Mike also played defensive line for the Gaels recording 36 tackles and 3 sacks in his senior year.

Mike also wrestled for two seasons at St. Mary in the heavyweight class division where he compiled a career record of 21-7. He was named 1st Team All-League after his junior season and was a member of the Gaels Non-Public B State Championship Wrestling team in 2004

Mike accepted a full scholarship to Michigan State University to play football in the Big 10. Lettering in his senior year, he was known as a workhorse and team builder who could always be relied on by his teammates and coaches. Mike graduated with a Bachelor's Degree in Human Resources and is currently an Applications Solutions Consultant with AT&T. He resides in Kalamazoo, Michigan with his wife, Amy, and their three children, Autumn, Aiden and Andrew.

Da'Mon Merkerson – 2007

To be a great player, you may excel in one sport, but to be a great athlete you must dominate in multiple sports. Da'Mon Merkerson was a great athlete. The most accomplished track star in school history, Da'Mon was a 5-time Non-Public B State Champion. As a junior he won his first state championship in the 400 in 51.98 seconds. In his senior year Da'Mon repeated in the 400 with a stunning time of 48.07 and also won the 100 in 11.08 seconds, the 200 in 22.36 seconds and the 800 in 1.59. Da'Mon was also a stalwart performer on the Syracuse track team for 3 years competing in the 400 meter dash and a number of relay teams. He double-majored in sociology and communication & rhetorical studies at Syracuse and later completed his master's degree in education at Arizona State. SPECIAL RECOGNITION AWARD 20TH ANNIVERSARY

1998 Parochial B State Championship Softball & Baseball Teams

The 1998 Gaels Baseball and Softball teams are remembered as resilient squads of "cardiac kids" who embraced their underdog status and thrived to become champions. The two teams will forever be linked, winning their State Championships on the same day and then ten years later in 2008 receiving induction into the Saint Mary's Athletic Hall of Fame on the same day. And tonight 20 years later they come together again to celebrate their 20th Anniversary.

In their ride to the top, St. Mary's baseball team played "David" to a "Goliath" in each round. After dispatching Bayley Ellard of Madison, our boys then eliminated the heavily-favored Cougars from Paterson Catholic in the second round. The third-round game against Montclair Kimberly Academy proved to be an intense and challenging battle, as the Gaels came from behind to scratch out two runs in the final inning for the win. Buoyed by this exciting comeback win, St. Mary faced off against southern juggernaut, Sacred Heart of Vineland, in the State championship game. After leading most of the game, the Gaels found themselves in great peril as they clung to a 7-6 lead with two outs and two Sacred Heart runners on base in the bottom of the seventh. One pitch and a pop-up to second base later, the Gaels claimed their well-deserved spot in St. Mary's folklore and New Jersey State Championship Baseball history.

Led by three Hall of Fame players, the 1998 boys' championship squad finished their dream season with a resounding record of 23-5. Their meteoric rise to the top was engineered by their Hall of Fame head coach, John Farley, whose dedication and "never say die" attitude inspired his team throughout their historic season.

The 1998 St. Mary softball team was a sublime array of talented and determined athletes who achieved team success unparalleled in school history. Led by six Hall of Famers the 1998 Lady Gaels compiled a perfect 18-0 record in league competition. They went on to dominate in the prestigious Bergen County Tournament, channeling the phrase "Defense Wins Championships" throughout, as the Lady Gaels did not give up a single run in any game. They knocked out Queen of Peace, Bergenfield, then local rival Rutherford, and geared up to face Group 4 powerhouse Paramus in the finals. The Lady Gaels would make school history on that crisp May evening, bringing home the County Championship, a distinction in varsity competition never enjoyed by any other team in school history. And as astutely put by legendary Hall of Fame Coach Jim McDonald, "winning a Bergen County Championship is like winning a national title."

Buoyed by their Bergen County crown, the Lady Gaels forged its unstoppable path to the Parochial B Championship, knocking off Newark Academy in the first round, then defeating Montclair Kimberly Academy in the Sectional Finals and last and finally facing St. Joe's Hammonton in the Championship game, during which the Lady Gaels faced their greatest post-season test winning the game in extra innings.

Compiling an incredible season record of 31-2, and bringing home a "triple crown" the 1998 softball team finished their season ranked #2 overall in the Star-Ledger Statewide Softball rankings. The 1998 All-County and All-State Parochial teams were graced with numerous St. Mary softball players, and Hall of Fame Head Coach Frank Venezia was named Bergen County and Star Ledger State Coach of the Year.

The years that you have worked here have been marked
by unsurpassed growth, efficiency and excellence. You
have been an inspiration to us all and you have enhanced
the quality of benefits to each and every student-athlete
that represents our school. . We hope that you have
enjoyed your time here as much as we have enjoyed

Da'Mon, My Son:

Congratulations on your induction into the St. Mary's High School Hall of Fame. I know what was involved in getting this acknowledgment. You are among the few who have been inducted on the first ballot once eligible. Your accomplishments in Football, Basketball and Track are noteworthy. It takes great discipline and laser like focus to excel in multiple sports. The trifecta of amazement that you have presented before us is beyond words. The torch has been passed.

I'm so proud of you for setting your sights high, as you made every effort to achieve success as a student athlete at St. Mary's. You lead by example to ensure your team's continued reputation for excellence both on and off the field.

It's been both exciting and inspirational for me to watch how you've steadily advanced in your life – onward and upward.

You have done remarkably well at such a young age. Congratulations on always inspiring others. I'm truly overjoyed with the milestones that you've reached. Best wishes are with you always. Continue to strive for greatness. I look forward to bearing witness to your future achievements.

**With love, pride, respect and admiration,
