

St. Mary High School Athletic Hall of Fame

Jostens is proud to congratulate you on your selection to the Saint Mary's Hall of Fame. Many years of time, effort and dedication have gone into receiving this honor. Efforts such as these can be rewarded in a number of ways. The most popular way that professional athletes are recognized is in the form of a ring, such as the championship ring, Super Bowl, NBA, World Series, and Hall of Fame. *Jostens* has been selected to supply the rings for many of these champions.

The Saint Mary Hall of Fame ring was modeled after an actual Super Bowl ring. It features a Fire Blue stone with a varsity SM encrusted in the stone. Around the stone will read Saint Mary's Hall of Fame. One side of the ring will feature the front of Saint Mary's School along with your year of induction. The other side will contain the Saint Mary's Hall of Fame emblem along with your name and graduation year. The quality of the ring is a fine white alloy, Lustrium. It is often mistaken for white gold. The cost for all this is approximately \$200. The ring is available in both mens and womens styles.

A \$60.00 deposit is required for ordering. If you would like to order a ring or have any questions please don't hesitate to call me at 973-403-8755.

Sincerely,
Dennis Mamchur
